LBJ CONSULTANTS

**SECOND
OPINION
SERVICE**

LBJ Consultants offer a 24/7 HR advice line for employers who already have in house HR support?

As is obvious the modern workforce throws up big HR challenges. With LBJ Consultants 24/7 HR advice helpline, your HR team don't need to worry about being expert in all of them. We will be there to help and support them when they need us most.

Our team of HR & Employment Law professionals will provide your HR team with advice on UK employment law. We will help you stay compliant and avoid potentially costly Employment Tribunal cases. We offer HR advice for businesses like yours with our Second Opinion Service to help you overcome any workforce issues.

Our HR advice is built for business owners, employers, managers, and HR professionals. We are very experienced and can support your business in the following areas

- Change to Terms and Conditions
- Discipline & Grievance meetings
- Employment Contracts & Policies
- Job and Salary Evaluation
- Recruitment
- Redundancies
- T.U.P.E.

We assist our clients who operate in the Private, Public and Third Sectors.
